International Edition

Vs Us

The main difference between the U.S. version and the international version of a textbook is the cover. Many U.S. textbooks have a hard cover, known as casebound, while the international version has a soft cover. In some cases, the images on the cover may differ slightly while others will have the same cover image and design on a paperback book.

The Differences Between U.S. and International Textbooks ...

First, by selling international edition textbooks United States bookstores could infringe on the sale and distribution rights of the international publisher.

They could also jeopardize their business partnership with US based publication offices. While online sales have skyrocketed over the years, publishers still benefit from bookstores ...

What To Know About International Edition Textbooks ...

An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have the same ISBN as the US edition on the inside), but are still printed on high-quality paper.

International

Editions -**TextbookRush**

I think the primary difference is that US editions of books are tailored towards US students whereas international editions of books are tailored towards international students. Otherwise, there isn't really much difference between the two (except price, of course).

Is there a difference between international edition and US ...

An international edition is a textbook that have been published outside the US. These books are usually significantly cheaper than textbooks published in the US. Offering tremendous value, international edition textbooks are created to be sold in different

regions and are often printed on cheaper paper and are usually softcover.

What Is An International Edition?

The U.S. edition usually has a hard cover with a different design on it, while the international edition has a soft cover. I'm not sure if that much of the paper justifies doubling the price of a...

What is the real difference between international version ...

I am trying to decide between the international edition of my text for Accounting or get the digital copy of the American edition. Both are MUCH cheaper than the US edition hardcover which is over \$200.

However, I'm afraid of there being some differences. The book is called Financial Accounting by Spiceland.

US edition of a textbook vs International Edition (teacher ...

Most of the textbooks I used during my undergraduate studies (outside north America) are International editions, so what is the difference between a national and an international edition of a book? For example, I have a book that says. XYZ published this special edition for the benefit of students outside the United States and Canada.

Difference between International edition of a book and a ...

International Edition textbooks are designed to mirror the student edition that is sold in the US, even though their target market is outside the states. You should feel confident ordering a textbook with "International Edition" in the title.

International Editions: Same Book, Different Cover | Bookbyte

Difference between Samsung Galaxy Watch US Version vs. International Version. Hi all, i am trying to purchase a Samsung galaxy watch but stuck between selecting the US version or International version. I am from Asia. I can get us version for a lower price, but i am worried if i am missing anything if I buy us version instead of

going with ...

Difference between Samsung Galaxy Watch US Version vs

...

International vs. US Editions: Key Differences. While international editions are often more than adequate for most college and university classes, there are a few key differences that students should be aware of. The ISBN is not the same as the US edition. The cover image is usually different. Most international editions are soft cover.
