Bike Snob is a book mainly about bikes, bike riding, bike maintenance, and overall all things bikes. However, it is even more about being entertained by a snarky hipster blogger's relatable

experiences through being a cyclist in a generally cycling-unfriendly world.

A bike snob is a person who will only buy a bike from a bike shop because they

think every bike made at a department store is a piece of shit. Bike snobs also tend to put people down when they want or bought a bike from a department store. Bike snobs tend to think that bike shop bikes are more superior to any other bike out there.

The Bike Forecast has been discontinued, but you can keep reading more from Bike Snob on his blog! If you want to check out more of TA's writing, head over here . Transportation Alternatives' mission is to reclaim New York City's streets from the automobile and to advocate for better walking, biking and public transit for all New Yorkers.

Bike Forecast — Transportation Alternatives

Bike Snob is at his most clever and funny when he's systematically destroying the pretentious attitudes and values held by so many cyclists, but here he's trying to analyze cultures (notably, the Dutch) that treat bicycles merely as everyday transportation. As a result, Bikesnob is more thoughtful in this book than he is satirical.
