New Oxford Modern English has established itself as one of the most popular ELT courses among both teachers and students for almost three decades. Taking into account the insightful feedback of its users, the series has been revised regularly to address the evolving needs of the learners.

New Oxford Modern English Teaching Guide 4

The aim of the New Oxford History of England is to give an account of the development of the country over time. It is

hard to treat that development as just the history which unfolds within the precise boundaries of England, and a mistake to suggest that this implies a neglect of the histories of the Scots, Irish, and Welsh.
