Participatory Activist Research in the Globalised World ...

This article introduces photovoice as a participatory action research tool rooted in democratic ideals that the youth can use at the community to advocate for social change. An overview of photovoice in terms of the areas where it can be used in, such as in feminist theory and community-based participatory research, is discussed.

Participatory Action Research (PAR) | Action-Based ...

In an archival essay from 2001, Charles Hale makes the case for “activist research” that is engaged with and seeks to address key problems faced by research “subjects.”. Emerging out of the Council’s Global Security and Cooperation program, Hale argues for how such research—and the participation of organizations and individuals in its conduct, interpretation, and use—can be both of high quality and impactful for social actors.
