Auto Repair Essentials. Mechanics require tools and there are a few essentials that you'll need to make most car repairs. A beginner's set of tools can include screwdrivers, a few wrenches, pliers, and a good pair of channel locks. Add a jack, penetrating oil, and a little safety gear and you're good to go. What you don't have means a trip to the parts store, but eventually you'll have a garage full after enough repairs, so don't worry about that.
