The French expression n'est-ce pas (pronounced "nes-pah") is what grammarians call a tag question. It's a word or short phrase that is tagged on to the end of a statement, to turn it into a yes-or-no question. It is a question added to a declarative sentence to engage, verify, or confirm. Question tags use the auxiliary verb in the opposite form of the sentence itself.

How to Use the French Expression "N'est-ce Pas"
