The government generally wants to do more for everybody (good), but that means a lot of overspending and a possible weakening of the American economy (bad). These critics suggest limits on the federal budgets every year; these limits could be overruled by, say, 60% of Congress, and would not apply during wartime.

Chapter 01 Notes (The Study of American Government)

Introduction. This chapter treats the framing and ratification of the Constitution (and indeed, the American Revolution before that) as fundamentally political events involving bargaining and compromise. Individual goals informed the actions of American Revolutionaries and constitutional framers; the rule of law is a central foundation of the system created by the framers; and the institutions established by the Constitution created a path in American political history that has shaped, and ...
