House of Nutter

The Rebel Tailor of Savile Row *Crown Archetype*

The strange, illuminative true story of Tommy Nutter, the Savile Row tailor who changed the silhouette of men's fashion—and his rock photographer brother, David, who captured it all on film. From an early age, there was something different about Tommy and David Nutter. Growing up in an austere apartment above a café catering to truck drivers, both boys seemed destined to lead rather humble lives in post-war

Zion

Seeking the City of Enoch *KenningHouse*

London—Tommy as a civil servant, David as a darkroom technician. Yet the strength of their imagination (plus a little help from their friends) transformed them instead into unlikely protagonists of a swinging cultural revolution. In 1969, at the age of twenty-six, Tommy opened an unusual new boutique on the “golden mile” of bespoke tailoring, Savile Row. While shocking a haughty establishment resistant to change, “Nutters of Savile Row” became an immediate sensation among the young, rich, and beautiful, beguiling everyone from Bianca Jagger to the Beatles—who immortalized Tommy’s designs on the album cover of *Abbey Road*. Meanwhile, David’s innate talent with a camera vaulted him across the Atlantic to New York City, where he found himself in a parallel constellation of stars (Yoko Ono, Elton John) who enjoyed his dry wit almost as much as his photography. House of Nutter tells the stunning true story of two gay men who influenced some of the most iconic styles and pop images of the twentieth century. Drawing on interviews with more than seventy people—and taking advantage of unparalleled access to never-before-seen pictures, letters, sketches, and diaries—journalist Lance Richardson presents a dual portrait of brothers improvising their way through five decades of extraordinary events, their personal

struggles playing out against vivid backdrops of the Blitz, an obscenity trial, the birth of disco, and the devastation of the AIDS crisis. A propulsive, deftly plotted narrative filled with surprising details and near-operatic twists, *House of Nutter* takes readers on a wild ride into the minds and times of two brilliant dreamers.

Hometown Cowboy

Forever

Never Fall in Love with a Cowboy
Jessa Mae Love is done with relationships. No matter how tempting he might be, she cannot--will not--fall for a man like Lance Cortez. The outrageously handsome cowboy is practically a living legend in Colorado, as famous for riding bulls

as he is for breaking hearts. What would a big-time rodeo star like him see in a small-town veterinarian who wears glasses, rescues animals, and cries when watching rom-coms? Turns out, plenty. Raising bulls, riding the circuit, and looking after his ailing father--Lance never stands still for long. Yet Jessa catches his attention, and the more she tries to resist him, the more he wants her. When she agrees to move to the ranch to keep an eye on Lance's dad, Jessa tells him they have to keep it professional: no flirting, no sweet talk, and definitely no kissing. But with Jessa now living under his roof, that's easier said than done . . .

Glimpses Beyond

Death's Door

Gospel Insights Into Near-death Experiences

A different look at near-death experiences. Rich with scripture and the words of modern prophets. A positive, upbeat tone to death as being, certainly for the faithful Church member, the beginning of a beautiful and happy life. Enlightening and exciting.

I Am Redeemed

Learning to Live in Grace *Worthy Books*

Mike Weaver, lead singer of Big Daddy Weave, shares from personal experience how when all we can see is our struggles and failures, God reminds us of who we are. . . . His children.

Loved. Set free. Redeemed. I Am Redeemed is an open book of Mike Weaver's life, bringing into the light everything from his battle with self-hatred to the near death of his brother and bandmate, who ultimately had both feet amputated to save his life. Mike shares the lessons learned in the loss of his father and dealing with the spirit of suicide within his band, Big Daddy Weave. At the lowest of lows, with Mike feeling rejected and alone, God broke through to speak truth and life into him. Thankful for God's plan and timing and methods, he is especially grateful for the new identity Jesus had paid for on the cross. In spite of his faults and failures,

Mike learned that only God can take the stuff you hate about yourself and use it to reach people. Through the million-selling song "Redeemed" and now the powerful story behind it, as well as inspiration from Scripture, you will be encouraged to embrace God's redeeming grace so you, too, have the opportunity to be beautiful offerings to the Lord.

Comeback Cowboy *Forever*

A WOMAN NEVER FORGETS HER FIRST COWBOY . . . As a single mother, Naomi Sullivan is used to doing things on her own. She's finally saved enough from working at the Cortez Ranch to buy a lovely home for her and her

little girl. Life is going as planned. But when her high school sweetheart comes riding back to town, this self-sufficient woman feels something she hasn't felt in years: red-hot, unbridled need for the handsome cowboy who left her behind. Lucas Cortez doesn't plan on being in town long. Yet when he sees Naomi again—the gorgeous girl he never stopped loving—he's tempted to hang up his hat and stay awhile. He's already charmed his way into her daughter's heart, but he'll need more than sweet talk and roses to convince Naomi to give them a second chance—especially when she's hiding a secret that could change their lives forever . . .

The Little Way of Ruthie Leming

A Southern Girl, a Small Town, and the Secret of a Good Life

Grand Central Publishing

THE LITTLE WAY OF RUTHIE LEMING follows Rod Dreher, a Philadelphia journalist, back to his hometown of St. Francisville, Louisiana (pop. 1,700) in the wake of his younger sister Ruthie's death. When she was diagnosed at age 40 with a virulent form of cancer in 2010, Dreher was moved by the way the community he had left behind rallied around his dying sister, a schoolteacher. He was also struck by the grace and courage with which his sister dealt with the disease that eventually took her life. In Louisiana for

Ruthie's funeral in the fall of 2011, Dreher began to wonder whether the ordinary life Ruthie led in their country town was in fact a path of hidden grandeur, even spiritual greatness, concealed within the modest life of a mother and teacher. In order to explore this revelation, Dreher and his wife decided to leave Philadelphia, move home to help with family responsibilities and have their three children grow up amidst the rituals that had defined his family for five generations—Mardi Gras, L.S.U. football games, and deer hunting. As David Brooks poignantly described Dreher's journey homeward in a recent New York Times column, Dreher and his

wife Julie "decided to accept the limitations of small-town life in exchange for the privilege of being part of a community."

Life Everlasting

A Definitive Study of Life After Death *Horizon Pub & Dist Incorporated*

Life Everlasting is a fascinating examination of man's future life from the time of death until his entry into the heavenly realms. the book reaches beyond the commonplace to give profound new insights into the nature of the life to come. This book examines eyewitness accounts of more than 200 individuals who have ventured into the spirit world and have then returned to tell of their experiences. It also draws extensively from the scriptures and from the discourses of Latter-day Saint leaders. As the evidence of these accounts is analyzed, numerous new understandings are revealed to the reader. Within these pages are vivid descriptions of spirit-world conditions

including buildings, landscaping, wearing apparel, organization, occupations, and Church callings. Many instructive descriptions of the amazing capabilities of spirit beings are provided. of special interest are the vivid descriptions of Jesus Christ as He has appeared to many who have entered into Paradise. the numerous roles of spirit beings who visit the earth, as Gardian Angels and in other capacities, are described in detail. the factors which govern man's time of death are discussed, and the nature of man's new birth into the next life is described in detail by those who have experienced it. Life Everlasting peers into the spirit prison and hell and reports conditions in those environments. Then it sweeps forward in time to analyze the nature of the resurrections and final judgment. a careful consideration of the final rewards available to man is made, with detailed and spcific coverage of the fate of the sons of perdition and the destinies of the inhabitants of the telestial, terrestrial and celestial kingdoms. the final chapter is a penetrating explanation of the nature of godhood and exaltation. Few books have ever combined such a wealth of now concepts and interesting information with the careful presentation, documentation and scholarship of Life Everlasting. Latter-day Saints will find strong

evidences which confirm their beliefs in the afterlife. Others, no matter what their religious orientation, will find Life Everlasting to be one of the most far-reaching, comprehensive presentations of life-after-death experiences in print. It is inevitable that this book will continue to be widely read and discussed for many years to come.

Becoming More Christ Like

"... Brent L. Top instructions readers on the day-to-day goals that can guide disciples of Christ on the road to perfection ... The discussion outlined in this volume is divided into three primary sections: personal life, relationships with

others, and leadership. Each topic includes faith-affirming stories, verses of scripture, and prophetic counsel as well as tips on how to incorporate these principles into your daily routine. Readers will find greater purpose in life as they heed the call to learn of Him, to follow Him, and, ultimately, to become as He is."--

It's Not About the Bike

his son.

A Book of Scoundrels

Like Dragons Did They Fight: A Look Into the Addiction Fighting Principles of the Sons of Helaman Program

Maurice Harker

This book bravely bridges the gap between the Spiritual and the Temporal (physical) factors of addiction and addiction recovery. It pulls the essential elements of many psychological theories and fits them into an eternal paradigm as can only be seen through the eyes of those who are inspired by God. The reader will be taken on a journey from seeing the battle from high in the heavens down to the gritty and sweaty

clashing of swords a warrior must experience day to day. We live in a time when many are in bondage before they are aware that there is a war. As with many examples in world history, one cannot get out of bondage with just will power and thought control. Warriors must be trained, and then trained some more, in the classroom and on the field. They must learn, that in order to escape the bondage they find themselves in, as did warriors thousands of years before: Like Dragons Did They Fight!

The Unspoken Rules

Secrets to Starting Your Career Off Right

Harvard Business Press

A Wall Street Journal

Bestseller "...this guide provides readers with much more than just early careers advice; it can help everyone from interns to CEOs." — a Financial Times top title You've landed a job. Now what? No one tells you how to navigate your first day in a new role. No one tells you how to take ownership, manage expectations, or handle workplace politics. No one tells you how to get promoted. The answers to these professional unknowns lie in the unspoken rules—the certain ways of doing things that managers expect but don't explain and that top performers do but don't realize. The problem is, these rules aren't taught in school. Instead, they get passed down over dinner or from mentor to mentee, making for an unlevel playing field, with the insiders getting ahead and the outsiders stumbling along through trial and error. Until now. In this practical guide, Gorick Ng, a first-generation college student and Harvard career adviser, demystifies the unspoken rules of work. Ng distills the wisdom he has gathered from over five hundred interviews with professionals across industries and job types about the biggest mistakes people make at work. Loaded with frameworks, checklists, and talking points, the book provides concrete strategies you can apply immediately to your own situation and will help you navigate inevitable questions, such as: How do I

manage my time in the face of conflicting priorities? How do I build relationships when I'm working remotely? How do I ask for help without looking incompetent or lazy? The Unspoken Rules is the only book you need to perform your best, stand out from your peers, and set yourself up for a fulfilling career.

Getting the message through: A Branch History of the U.S. Army Signal Corps
Government Printing Office

Getting the Message Through, the companion volume to Rebecca Robbins Raines' Signal Corps, traces the evolution of the corps from the appointment of the first signal officer on the eve of the Civil

War, through its stages of growth and change, to its service in Operation DESERT SHIELD/DESERT STORM. Raines highlights not only the increasingly specialized nature of warfare and the rise of sophisticated communications technology, but also such diverse missions as weather reporting and military aviation. Information dominance in the form of superior communications is considered to be sine qua non to modern warfare. As Raines ably shows, the Signal Corps--once considered by some Army officers to be of little or no military value--and the communications it provides have become integral to all aspects of military operations on modern digitized

battlefields. The volume is an invaluable reference source for anyone interested in the institutional history of the branch.

Everglades

The Ecosystem and Its Restoration *CRC Press*

The 31 chapters provide a wealth of previously unpublished information, plus topic syntheses, for a wide range of ecological parameters. These include the physical driving forces that created and continue to shape the Everglades and patterns and processes of its flora and fauna. The book summarizes recent studies of the region's vegetation, alligators, wading birds, and endangered species such as the

snail kite and Florida panther. This referee-reviewed volume is the product of collaboration among 58 international authors from 27 institutional affiliations over nearly five years. The book concludes with a synthesis of system-wide restoration hypotheses, as they apply to the Everglades, that represent the integration and a collective viewpoint from the preceding 30 chapters. Techniques and systems learned here can be applied to ecosystems around the world.

Minesweeper (Special Forces, Book 2) *Scholastic Inc.*
"All the sizzle, chaos, noise and scariness of war is clay in the hands

of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country - - and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize

it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

U.S. Marines In Vietnam: The Landing And The Buildup, 1965

Pickle Partners Publishing

This is the second volume in a series of chronological histories prepared by the Marine Corps History and Museums Division to cover the entire span of Marine Corps involvement in the

Vietnam War. This volume details the Marine activities during 1965, the year the war escalated and major American combat units were committed to the conflict. The narrative traces the landing of the nearly 5,000-man 9th Marine Expeditionary Brigade and its transformation into the III Marine Amphibious Force, which by the end of the year contained over 38,000 Marines. During this period, the Marines established three enclaves in South Vietnam's northernmost corps area, I Corps, and their mission expanded from defense of the Da Nang Airbase to a balanced strategy involving base defense, offensive operations, and pacification. This volume continues to

treat the activities of Marine advisors to the South Vietnamese armed forces but in less detail than its predecessor volume, *U.S. Marines in Vietnam, 1954-1964: The Advisory and Combat Assistance Era*.

What the Gospel Teaches Us about the Spirit World

From Operator Theory to Orthogonal Polynomials, Combinatorics, and Number Theory

A Volume in Honor of Lance Littlejohn's 70th Birthday *Springer Nature*

The Three of Us

A Family Story *Vintage*

This is the story of three people: acclaimed writer Julia Blackburn; her father, Thomas—a poet and alcoholic with an addiction to barbiturates; and her mother, Rosalie—a flirtatious painter with no boundaries. After Julia's parents divorced, her mother took in male lodgers with the hope they would become her lovers. When one of the lodgers began an affair with Julia, competitive Rosalie was devastated; he later committed suicide, shattering whatever relationship between mother and daughter remained. After thirty years, Rosalie, diagnosed with leukemia, came to live with Julia for the last

month of her life. Only then were they allowed, at long last, to exist with an ease they had never known.

I Saw Heaven

A Remarkable Visit to the Spirit World

Horizon Pub & Dist Incorporated

On September 19, 1972, when Larry Tooley's scaffold fell and he plunged to the concrete floor below, one of the most remarkable near-death experiences ever recorded began. *I Saw Heaven!* is the complete account of his accident and his extensive tour beyond the veil. As Larry's spirit left his body and journeyed upward, he passed through a foreboding fog and witnessed agonized souls in outer

darkness. Then, drawn to a brilliant light and greeted by a being who emanated overwhelming love, he underwent a life review and experienced the stripping away of earthly impurities. He entered a receiving station through a suspended arched doorway. His name was recorded, he was dressed in a white robe and was greeted by a deceased former acquaintance who was to be his guide on an extensive reacquaintance tour of the spirit world. They communicated through telepathic speech and flew by thought projection from place to place together. He was re-taught concerning the powers he enjoyed before birth: of projecting thoughts, levitation,

unassisted flight, and that all matter exists at varying levels of vibrational frequencies. Larry was shown through a kingdom of beauty and order. He saw communities with buildings made from a marble-like material, surrounded by beautiful trees and landscaping. They visited a learning center where he was shown advanced ways of obtaining knowledge. They toured a genealogical research center where people were working to establish their relationships with their forefathers, and he was taught the importance of linking families together. a family reunion was held for him to acquaint himself with many of his relatives, ad he found that he could learn all

about them by embracing them. He met his sister, Wendy, who had died shortly after her birth, and found her adorned in a brilliant white robe which reflected her advanced level of progression. His guide led him to the outskirts of the heavenly city where God dwells, nestled at the base of a mountain. He saw from afar the immensity of the city with its beautiful domed spires. He felt the city's divinity and was told of the restrictions concerning who may enter it. Larry was also shown other worlds and traveled among them. He was able to re-experience his conversation with his pre-mortal sweetheart just before their birth into mortality. One of his most intriguing

encounters was with the council which eventually gave him permission to return to earth and resume his mortal life. I Saw Heaven! is the true account of one of the most informative near-death experiences ever recorded. All who want to learn more of the next stage of their existence will be fascinated by the many insights and details it contains. It's a must-read book!

A Memoir of Africa
Back Bay Books

After his father's heart attack in 1984, Peter Godwin began a series of pilgrimages back to Zimbabwe, the land of his birth, from Manhattan, where he now lives. On these frequent visits to check on his elderly parents,

he bore witness to Zimbabwe's dramatic spiral downwards into the jaws of violent chaos, presided over by an increasingly enraged dictator. And yet long after their comfortable lifestyle had been shattered and millions were fleeing, his parents refuse to leave, steadfast in their allegiance to the failed state that has been their adopted home for 50 years. Then Godwin discovered a shocking family secret that helped explain their loyalty. Africa was his father's sanctuary from another identity, another world. When a Crocodile Eats the Sun is a stirring memoir of the disintegration of a family set against the collapse of a country. But it is also a vivid portrait of the profound

strength of the human spirit and the enduring power of love.

Think Like a Mountain *Penguin UK*

In twenty short books, Penguin brings you the classics of the environmental movement. In this lyrical meditation on America's wildlands, Aldo Leopold considers the different ways humans shape the natural landscape, and describes for the first time the far-reaching phenomenon now known as 'trophic cascades'. Over the past 75 years, a new canon has emerged. As life on Earth has become irrevocably altered by humans, visionary thinkers around the world have raised their voices to

defend the planet, and affirm our place at the heart of its restoration. Their words have endured through the decades, becoming the classics of a movement. Together, these books show the richness of environmental thought, and point the way to a fairer, saner, greener world.
