The coaching cliché, "Keep it Simple, Stupid," also known as the KISS Principle, is a complete non-factor in the development of an offensive game plan for the high school level. The reason is simple. Offensive game planning has now reached a level of sophistication that forbids the acceptance of simplicity as a precursor for success.

This plan of attack is geared for a team using the Delaware Wing-T offense, but can be modified for just about any offense. This method is by no means the only way or best way to develop a game plan, but used to provide a structured plan while preparing to defeat your opponent. In this article I will not be discussing ways to defeat a certain defense or concept but rather an organized plan of steps I follow when developing my offense game plan.
