FINAL VERDICT

After checking out and examining Devil In The White City Review from cover to cover, we have actually concerned our final decision.

The Pros

Among the primary highlights of this publication Devil In The White City Review is its unique storytelling design which keeps the readers engaged throughout guide. In addition, the well-developed characters make the book a lot more relatable and delightful to review. In addition, the story twists keep the reader on their toes, making guide unforeseeable and interesting.

The Cons

Nonetheless, there were some facets that we located doing not have. The pacing of Devil In The White City Review was slow at times, that made it feel dragged out. Furthermore, there were some loosened ends that were not locked up by the end of the book, which left us with unanswered concerns.

Last Ideas

Generally, our team believe that Devil In The White City Review deserves a read, regardless of some minor imperfections. The distinct storytelling design, relatable personalities, and story spins make it a worthwhile addition to your bookshelf. So, if you're trying to find a fascinating read, Devil In The White City Review is certainly worth thinking about.

The Devil in the White City

An account of the Chicago World's Fair of 1893 relates the stories of two men who shaped the history of the event--architect Daniel H. Burnham, who coordinated its construction, and serial killer Herman Mudgett.

The Devil In The White City Random House

'An irresistible page-turner that reads like the most compelling, sleep defying fiction' TIME OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .

The Devil in the White City Summary & Analysis

Createspace Independent Publishing Platform

You Need To Read This Book if you want to dive deeper into the world of Erik Larson. The Devil in the White City tells two different stories, of two different men. One is Daniel Burnham, architect and organizer of the 1893 World's Fair. The other is H. H. Holmes, the serial killer who found his prey in the Fair's crowds. Soon to be a Martin Scorsese film starring Leonardo DiCaprio, Devil in the White City is an entertaining book with a unique way of looking at an important moment in US history. This summary will guide you through the book, offering: Detailed summaries of each chapter which: List important dates Provide condensed recounting of events Highlight important individuals and events Also included are brief biographies of important people. In them you'll find: Context for their lives before and after they enter the book. And in addition, a brief discussion of some of the themes in the book. Disclaimer: This book serves as an accompaniment to the bestseller The Devil in the White City by Erik Larson. It is meant to broaden the reader's understanding of the book and to offer insights which can easily be overlooked. You should order a copy of the actual book before reading this.

H. H. Holmes Simon and Schuster

America's first and most notorious serial killer and his diabolical killing spree during the 1893 World's Fair in Chicago, now updated with a new afterword discussing Holmes' exhumation on American Ripper. H. H. Holmes: The True History of the White City Devil is the first truly comprehensive book examining the life and career of a murderer who has become one of America's great supervillains. It reveals not only the true story but how the legend evolved, taking advantage of hundreds of primary sources that have never been examined before, including legal documents, letters, articles, and records that have been buried in archives for more than a century. Though Holmes has become just as famous now as he was in 1895, a deep analysis of contemporary materials makes very clear how much of the story as we know came from reporters who were nowhere near the action, a dangerously unqualified new police chief, and, not least, lies invented by Holmes himself. Selzer has unearthed tons of stunning new data about Holmes, weaving together turn-of-the-century America, the killer's background, and the wild cast of characters who circulated in and about the famous "castle" building. This book will be the first truly accurate account of what really happened in Holmes's castle of horror, and now includes an afterword detailing the author's participation in Holmes' exhumation on the TV series, American Ripper. Exhaustively researched and painstakingly brought to life, H. H. Holmes will be an invaluable companion to the upcoming Martin Scorsese and Leonardo DiCaprio movie about Holmes's murder spree based on Erik Larson's The Devil in the White City.

Dead Wake Crown

#1 NEW YORK TIMES BESTSELLER • From the bestselling author and master of narrative nonfiction comes the enthralling story of the sinking of the Lusitania “Both terrifying and enthralling.”—Entertainment Weekly “Thrilling, dramatic and powerful.”—NPR “Thoroughly engrossing.”—George R.R. Martin On May 1, 1915, with WWI entering its tenth month, a luxury ocean liner as richly appointed as an English country house sailed out of New York, bound for Liverpool, carrying a record number of children and infants. The passengers were surprisingly at ease, even though Germany had declared the seas around Britain to be a war zone. For months, German U-boats had brought terror to the North Atlantic. But the Lusitania was one of the era's great transatlantic “Greyhounds”—the fastest liner then in service—and her captain, William Thomas Turner, placed

tremendous faith in the gentlemanly strictures of warfare that for a century had kept civilian ships safe from attack. Germany, however, was determined to change the rules of the game, and Walther Schwieger, the captain of Unterseeboot-20, was happy to oblige. Meanwhile, an ultra-secret British intelligence unit tracked Schwieger's U-boat, but told no one. As U-20 and the Lusitania made their way toward Liverpool, an array of forces both grand and achingly small—hubris, a chance fog, a closely guarded secret, and more—all converged to produce one of the great disasters of history. It is a story that many of us think we know but don't, and Erik Larson tells it thrillingly, switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era. Full of glamour and suspense, *Dead Wake* brings to life a cast of evocative characters, from famed Boston bookseller Charles Lauriat to pioneering female architect Theodate Pope to President Woodrow Wilson, a man lost to grief, dreading the widening war but also captivated by the prospect of new love. Gripping and important, *Dead Wake* captures the sheer drama and emotional power of a disaster whose intimate details and true meaning have long been obscured by history. Finalist for the Washington State Book Award • One of the Best Books of the Year: The Washington Post, St. Louis Post-Dispatch, Miami Herald, Library Journal, Kirkus Reviews, LibraryReads, Indigo

Summary of the Devil in the White City *Createspace Independent Publishing Platform*

Warning This is an independent addition to *The Devil in the White City*, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. *The Devil in the White City: Murder, Magic, and Madness at the Fair that Changed America* by Erik Larson, published in 2002, is an historical work centered on the Chicago World's Fair of 1893. More specifically, the focus of the author centers on two men and their accomplishments during this pivotal moment in the history of America's new modern era. The first is the chief architect of the fair, Daniel Burnham, whose vision shaped the fair, and by extension, the architectural aesthetic of modern cities more broadly speaking for the generations that followed. His story is one of the power of creation fueled by persistence in the face of obstacles. The second focus of the book is America's first known serial killer, Dr. H. H. Holmes, whose acts of evil during the time of the World's Fair would manifest a destructive power that lived in the shadows of metropolitan anonymity. This review offers a detailed summary of the main themes raised in this historical work. In general the summary follows the structure of the book, which is largely presented in chronological order, alternating between the main historical figures central to the story. However, parts of the summary are presented in an order that deviates slightly from that of the book in order to preserve the continuity and readability of the facts presented. The summary is followed by an analysis. Larson is both an accomplished journalist and historical novelist. He has written four New York Times bestselling books. He has written for *The Wall Street Journal* and *Time Magazine* as a staff journalist. He has been a contributing author to *The Atlantic*, *Harper's*, and *The New Yorker*. His academic background includes a bachelors in Russian history, language and culture from the University of Pennsylvania, and a Masters in journalism from Columbia University. Available on PC, Mac, smart phone, tablet or Kindle device. (c) 2015 All Rights Reserved

Isaac's Storm *Vintage*

From the bestselling author of *The Devil in the White City*, here is

the true story of the deadliest hurricane in history. National Bestseller September 8, 1900, began innocently in the seaside town of Galveston, Texas. Even Isaac Cline, resident meteorologist for the U.S. Weather Bureau failed to grasp the true meaning of the strange deep-sea swells and peculiar winds that greeted the city that morning. Mere hours later, Galveston found itself submerged in a monster hurricane that completely destroyed the town and killed over six thousand people in what remains the greatest natural disaster in American history--and Isaac Cline found himself the victim of a devastating personal tragedy. Using Cline's own telegrams, letters, and reports, the testimony of scores of survivors, and our latest understanding of the science of hurricanes, Erik Larson builds a chronicle of one man's heroic struggle and fatal miscalculation in the face of a storm of unimaginable magnitude. Riveting, powerful, and unbearably suspenseful, Isaac's Storm is the story of what can happen when human arrogance meets the great uncontrollable force of nature.

Thunderstruck *Crown*

A true story of love, murder, and the end of the world's "great hush." In *Thunderstruck*, Erik Larson tells the interwoven stories of two men—Hawley Crippen, a very unlikely murderer, and Guglielmo Marconi, the obsessive creator of a seemingly supernatural means of communication—whose lives intersect during one of the greatest criminal chases of all time. Set in Edwardian London and on the stormy coasts of Cornwall, Cape Cod, and Nova Scotia, *Thunderstruck* evokes the dynamism of those years when great shipping companies competed to build the biggest, fastest ocean liners; scientific advances dazzled the public with visions of a world transformed; and the rich outdid one another with ostentatious displays of wealth. Against this background, Marconi races against incredible odds and relentless skepticism to perfect his invention: the wireless, a prime catalyst for the emergence of the world we know today. Meanwhile, Crippen, "the kindest of men," nearly commits the perfect murder. With his unparalleled narrative skills, Erik Larson guides us through a relentlessly suspenseful chase over the waters of the North Atlantic. Along the way, he tells of a sad and tragic love affair that was described on the front pages of newspapers around the world, a chief inspector who found himself strangely sympathetic to the killer and his lover, and a driven and compelling inventor who transformed the way we communicate.

World's Columbian Exposition

Summary & Analysis of Erik Larson's the Devil in the White City *CreateSpace*

The Devil in the White City by Erik Larson | Summary & Analysis Preview: *The Devil in the White City* is a book by Erik Larson that takes a close look at The World's Columbian Exposition, the world's fair that Chicago hosted in 1893, held in celebration of the 400th anniversary of Columbus' discovery of America. The fair was tainted by deaths, a serial killer, and an assassination. The lead architect, Daniel Burnham, and the serial killer, Henry Howard Holmes, play pivotal roles in the events that unfolded before, during, and after the fair. In the late nineteenth century, Chicago was a raw city, growing fast, but it was horribly polluted. Fourteen million animals went to their deaths each year in the stockyards. Garbage and manure piled up and typhus, cholera, and other diseases raged. Train and carriage accidents killed several people daily. Fires were even more deadly. The city tallied 800 murders in just the first half of one year... PLEASE NOTE: This is a summary and analysis of the book and NOT the original book. Inside this Instaread Summary & Analysis of The

Summary of the Devil in the White City

The Devil in the White City: by Erik Larson | Summary & Analysis A Smarter You In 15 Minutes... What is your time worth? "The Devil in the White City" is a dual biography book of Daniel Hudson Burnham and Dr. H. H. Holmes. Daniel Burnham is a steadfast architect who was the reason behind the World's Fair astounding success. On the other hand, Dr. H. H. Holmes is a devilish psychopath who operated his own massacre room in a hotel that he built near to the World's Fair. The book's setting took place in the 19th century Chicago, telling a gruesome history full of thrill and suspense. "The Devil in the White City" is an interesting read. It is full of small details that help maintain the reader's interest. It successfully retells the history of Daniel Burnham's effort in presenting Chicago's Columbian Exhibition in 1893. The readers will also get a very vivid picture about Chicago as a city, its image and its comparison to New York and Paris as a world-class city. A complete opposite to Daniel Burnham's inspiring efforts, "The Devil in the White City" also paints a clear picture of Dr. H. H. Holmes and his cold-blooded psychopathic self. "The Devil in the White City" is a breathtaking novel with factual accounts written by bestselling author Erik Larson. This book will present you with all the thrills that the best fiction novels can give, completed with historical discoveries. Quicklet on Erik Larson's The Devil in White City: A Saga of Magic and Murder at the Fair that Changed America Hyperink Inc

The Devil in the White City: A Saga of Magic and Murder at the Fair that Changed America is about the making of a great city and the development of two extraordinary, yet utterly disparate, men. The book is set in Chicago just before and during the 1893 World's Columbian Exposition (or the World's Fair as its more commonly known). Chicago is perched on the precipice of a great transformation, but whether for good or bad remains to be seen. Larson tells the story of the fair through the eyes of two men, both brilliant, each representing a different side of the city where they live. Daniel Burnham, a businessman and architect, has a vision of the glorious city Chicago can become. He represents the purity of spirit, innovation and diligence that make Chicago a great city. H. H. Holmes, a charming psychopath who uses the fair to lure his victims, represents the city's darker side. Holmes is as efficient in his killing as the city's slaughterhouses, and as destructive as its frequent fires. As Burnham elevates the city's reputation, Holmes threatens to destroy its burgeoning greatness.

Lethal Passage Vintage

This devastating book illuminates America's gun culture -- its manufacturers, dealers, buffs, and propagandists -- but also offers concrete solutions to our national epidemic of death by firearm. It begins with an account of a crime that is by now almost commonplace: on December 16, 1988, sixteen-year-old Nicholas Elliot walked into his Virginia high school with a Cobray M-11/9 and several hundred rounds of ammunition tucked in his backpack. By day's end, he had killed one teacher and severely wounded another. In Lethal Passage Erik Larson shows us how a disturbed teenager was able to buy a weapon advertised as "the gun that made the eighties roar." The result is a book that can -- and should -- save lives, and that has already become an essential text in the gun-control debate. With a new afterword. "Touches on all aspects of the gun issue in this country. Gives great voice to that feeling...that something real must be done." -- San Diego Union-Tribune "One of the most readable anti-gun treatises in years." --Washington Post Book World

In the Garden of Beasts Crown

"Larson is a marvelous writer...superb at creating characters with a few short strokes."—New York Times Book Review Erik Larson has been widely acclaimed as a master of narrative non-fiction, and in his new book, the bestselling author of Devil in the White City turns his hand to a remarkable story set during Hitler's rise to power. The time is 1933, the place, Berlin, when William E. Dodd becomes America's first ambassador to Hitler's Germany in a year that proved to be a turning point in history. A mild-mannered professor from Chicago, Dodd brings along his wife, son, and flamboyant daughter, Martha. At first Martha is entranced by the parties and pomp, and the handsome young men of the Third Reich with their infectious enthusiasm for restoring Germany to a position of world prominence. Enamored

of the “New Germany,” she has one affair after another, including with the suprisingly honorable first chief of the Gestapo, Rudolf Diels. But as evidence of Jewish persecution mounts, confirmed by chilling first-person testimony, her father telegraphs his concerns to a largely indifferent State Department back home. Dodd watches with alarm as Jews are attacked, the press is censored, and drafts of frightening new laws begin to circulate. As that first year unfolds and the shadows deepen, the Dodds experience days full of excitement, intrigue, romance—and ultimately, horror, when a climactic spasm of violence and murder reveals Hitler’s true character and ruthless ambition. Suffused with the tense atmosphere of the period, and with unforgettable portraits of the bizarre Göring and the expectedly charming--yet wholly sinister--Goebbels, *In the Garden of Beasts* lends a stunning, eyewitness perspective on events as they unfold in real time, revealing an era of surprising nuance and complexity. The result is a dazzling, addictively readable work that speaks volumes about why the world did not recognize the grave threat posed by Hitler until Berlin, and Europe, were awash in blood and terror.

Detective in the White City *RW Publishing House*

The Splendid and the Vile *Crown*

#1 NEW YORK TIMES BESTSELLER • The author of *The Devil in the White City* and *Dead Wake* delivers an intimate chronicle of Winston Churchill and London during the Blitz—an inspiring portrait of courage and leadership in a time of unprecedented crisis “One of [Erik Larson’s] best books yet . . . perfectly timed for the moment.”—*Time* • “A bravura performance by one of America’s greatest storytellers.”—NPR NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The New York Times Book Review* • *Time* • *Vogue* • NPR • *The Washington Post* • *Chicago Tribune* • *The Globe & Mail* • *Fortune* • *Bloomberg* • *New York Post* • *The New York Public Library* • *Kirkus Reviews* • *LibraryReads* • *PopMatters* On Winston Churchill’s first day as prime minister, Adolf Hitler invaded Holland and Belgium. Poland and Czechoslovakia had already fallen, and the Dunkirk evacuation was just two weeks away. For the next twelve months, Hitler would wage a relentless bombing campaign, killing 45,000 Britons. It was up to Churchill to hold his country together and persuade President Franklin Roosevelt that Britain was a worthy ally—and willing to fight to

the end. In *The Splendid and the Vile*, Erik Larson shows, in cinematic detail, how Churchill taught the British people “the art of being fearless.” It is a story of political brinkmanship, but it’s also an intimate domestic drama, set against the backdrop of Churchill’s prime-ministerial country home, Chequers; his wartime retreat, Ditchley, where he and his entourage go when the moon is brightest and the bombing threat is highest; and of course 10 Downing Street in London. Drawing on diaries, original archival documents, and once-secret intelligence reports—some released only recently—Larson provides a new lens on London’s darkest year through the day-to-day experience of Churchill and his family: his wife, Clementine; their youngest daughter, Mary, who chafes against her parents’ wartime protectiveness; their son, Randolph, and his beautiful, unhappy wife, Pamela; Pamela’s illicit lover, a dashing American emissary; and the advisers in Churchill’s “Secret Circle,” to whom he turns in the hardest moments. *The Splendid and the Vile* takes readers out of today’s political dysfunction and back to a time of true leadership, when, in the face of unrelenting horror, Churchill’s eloquence, courage, and perseverance bound a country, and a family, together.

H. H. Holmes *Simon and Schuster*

This authoritative true crime biography reveals the full story of America’s first serial killer and his killing spree during the 1893 Chicago World’s Fair. With original research into never-before-studied sources—including letters, articles, legal documents, and archives—H. H. Holmes uncovers the true story of Holmes and how the modern legend around him evolved. Author Adam Selzer reveals how much of the Holmes story as it is widely known today came from reporters who were far from the action, an incredibly unqualified new police chief, and lies from Holmes himself. This illuminating true crime biography offers a nuanced portrait of turn-of-the-century America, the eccentric cast of characters who were in and around Holmes’s infamous “Murder Castle”, and the mysterious background of Holmes himself.

Amelia Anne is Dead and Gone *Penguin*

An arresting un-coming-of-age story, from a breathtaking talent Becca has always longed to break free from her small, backwater hometown. But the discovery of an unidentified dead girl on the side of a dirt road sends the town--and Becca--into a tailspin. Unable to make sense of the violence of the outside world creeping into her backyard, Becca finds herself retreating inward, paralyzed from moving forward for the first time in her life. Short chapters detailing the last days of Amelia Anne Richardson's life are intercut with Becca's own summer as the parallel stories of two young women struggling with self-identity and relationships on the edge twist the reader closer and closer to the truth about Amelia's death.

Right Here I See My Own Books *Univ of Massachusetts Press*

Explores the creation and significance of an exhibit hall at the 1893 world's fair that contained more than 8,000 volumes of writings by women.

Book Club to Go Bag 81

The World's Fair ...

The Anatomy of Melancholy

In The Garden of Beasts *Random House*

'A compelling tale... a narrative that makes such a brave effort to see history as it evolves and not as it becomes.' *SPECTATOR* Suffused with the tense atmosphere of the times, and with

brilliant portraits of Hitler, Goebbels, Goering and Himmler amongst others, Erik Larson's new book sheds unique light on events as they unfold, resulting in an unforgettable, addictively readable work of narrative history. Berlin, 1933. William E. Dodd, a mild-mannered academic from Chicago, has to his own and everyone else's surprise, become America's first ambassador to Hitler's Germany, in a year that proves to be a turning point in history. Dodd and his family, notably his vivacious daughter, Martha, observe at first-hand the many changes - some subtle, some disturbing, and some horrifically violent - that signal Hitler's consolidation of power. Dodd has little choice but to associate with key figures in the Nazi party, his increasingly concerned cables make little impact on an indifferent U.S. State Department, while Martha is drawn to the Nazis and their vision of a 'New Germany' and has a succession of affairs with senior party players, including first chief of the Gestapo, Rudolf Diels. But as the year darkens, Dodd and his daughter find their lives transformed and any last illusion they might have about Hitler are shattered by the violence of the 'Night of the Long Knives' in the summer of 1934 that established him as supreme dictator . . .

The River of Doubt *Anchor*

NATIONAL BESTSELLER • At once an incredible adventure narrative and a penetrating biographical portrait—the bestselling author of *Destiny of the Republic* brings us the true story of Theodore Roosevelt's harrowing exploration of one of the most dangerous rivers on earth. The River of Doubt—it is a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon. Together with his son Kermit and Brazil's most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe it. In the process, he changed the map of the western hemisphere forever. Along the way, Roosevelt and his men faced an unbelievable series of hardships, losing their canoes and supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. The River of Doubt brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived. From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt's life, here is Candice Millard's dazzling debut.

Chicago's White City of 1893 *University Press of Kentucky*

In 1893, the year that marked the four hundredth anniversary of the landing of Columbus in the New World, Chicago was host to an exposition to mark the occasion. Although the World's Columbian Exposition was the fifteenth world's fair, it was of vastly greater scope than any of its predecessors. Chicago created a veritable new city. It was not only larger than any previous exposition but also more elaborately designed, more precisely laid out, more fully realized, and more prophetic. It was the first exposition truly to solicit the participation of the entire world. In this study of the White City, David F. Burg shows America at a crossroads in its development. It was in the process of moving from a largely agricultural society to a predominately urban and industrial one. The exposition was an index of American values, achievements, and expectation in this era of

profound and complex change. The exposition was an achievement of cooperative endeavor and expertise. It demonstrated that both artistic capacity and technology were available to transform, in agreeable combination, burgeoning industrial cities into well-designed centers of business, culture, and community. Burg places his discussion in the context of the United States and Chicago during the early 1890s. Besides dealing with the multifaceted fair itself -- its architecture, artworks, music, technological achievements -- he discusses the congresses that were held on a variety of subjects, two of the most significant being the Congresses of Women and the World's Parliament of Religions. In the exposition's theme was the potential of fashioning the Kingdom of God on earth in contrast to the chaotic, dirty, industrial cities of the time. Burg finds in the exposition a significant legacy to architecture, city planning, and civic organization. Its most promising aftereffect occurred in the City Beautiful movement; its influence extended also to such ordinary concerns as well-lighted streets, efficient waste disposal, and honest government.

The Devil All the Time *Anchor*

Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

Abraham Lincoln: Vampire Hunter *Grand Central Publishing*

Indiana, 1818. Moonlight falls through the dense woods that surround a one-room cabin, where a nine-year-old Abraham Lincoln kneels at his suffering mother's bedside. She's been stricken with something the old-timers call "Milk Sickness." "My baby boy..." she whispers before dying. Only later will the grieving Abe learn that his mother's fatal affliction was actually the work of a vampire. When the truth becomes known to young Lincoln, he writes in his journal, "henceforth my life shall be one of rigorous study and devotion. I shall become a master of mind and body. And this mastery shall have but one purpose..." Gifted with his legendary height, strength, and skill with an ax, Abe sets out on a path of vengeance that will lead him all the way to the White House. While Abraham Lincoln is widely lauded for saving a Union and freeing millions of slaves, his valiant fight against the forces of the undead has remained in the shadows for hundreds of years. That is, until Seth Grahame-Smith stumbled upon *The Secret Journal of Abraham Lincoln*, and became the first living person to lay eyes on it in more than 140 years. Using the journal

as his guide and writing in the grand biographical style of Doris Kearns Goodwin and David McCullough, Seth has reconstructed the true life story of our greatest president for the first time—all while revealing the hidden history behind the Civil War and uncovering the role vampires played in the birth, growth, and near-death of our nation.

The Flying Tigers *Penguin*

The thrilling story behind the American pilots who were secretly recruited to defend the nation's desperate Chinese allies before Pearl Harbor and ended up on the front lines of the war against the Japanese in the Pacific. Sam Kleiner's *The Flying Tigers* uncovers the hidden story of the group of young American men and women who crossed the Pacific before Pearl Harbor to risk their lives defending China. Led by legendary army pilot Claire Chennault, these men left behind an America still at peace in the summer of 1941 using false identities to travel across the Pacific to a run-down airbase in the jungles of Burma. In the wake of the disaster at Pearl Harbor this motley crew was the first group of Americans to take on the Japanese in combat, shooting down hundreds of Japanese aircraft in the skies over Burma, Thailand, and China. At a time when the Allies were being defeated across the globe, the Flying Tigers' exploits gave hope to Americans and Chinese alike. Kleiner takes readers into the cockpits of their iconic shark-nosed P-40 planes—one of the most familiar images of the war—as the Tigers perform nail-biting missions against the Japanese. He profiles the outsize personalities involved in the operation, including Chennault, whose aggressive tactics went against the prevailing wisdom of military strategy; Greg "Pappy" Boyington, the man who would become the nation's most beloved pilot until he was shot down and became a POW; Emma Foster, one of the nurses in the unit who had a passionate romance with a pilot named John Petach; and Madame Chiang Kai-shek herself, who first brought Chennault to China and who would come to visit these young Americans. A dramatic story of a covert operation whose very existence would have scandalized an isolationist United States, *The Flying Tigers* is the unforgettable account of a group of Americans whose heroism changed the world, and who cemented an alliance between the United States and China as both nations fought against seemingly insurmountable odds.

Paris by the Book *Penguin*

NATIONAL BESTSELLER A missing person, a grieving family, a curious clue: a half-finished manuscript set in Paris Once a week, I chase men who are not my husband. . . . When eccentric novelist Robert Eady abruptly vanishes, he leaves behind his wife, Leah, their daughters, and, hidden in an unexpected spot, plane tickets to Paris. Hoping to uncover clues—and her husband—Leah sets off for France with her girls. Upon their arrival, she discovers an unfinished manuscript, one Robert had been writing without her knowledge . . . and that he had set in Paris. The Eady girls follow the path of the manuscript to a small, floundering English-language bookstore whose weary proprietor is eager to sell. Leah finds herself accepting the offer on the spot. As the family settles into their new Parisian life, they trace the literary paths of some beloved Parisian classics, including *Madeline* and *The Red Balloon*, hoping more clues arise. But a series of startling discoveries forces Leah to consider that she may not be ready for what solving this mystery might do to her family—and the Paris she thought she knew. Charming, haunting, and triumphant, *Paris by the Book* follows one woman's journey as she writes her own story, exploring the power of family and the magic that hides within the pages of a book.

Haunts of the White City: Ghost Stories from the World's Fair, the Great Fire and Victorian Chicago *Arcadia Publishing*

"At the close of the nineteenth century, Chicago offered the world a glimpse of humanity's most breathtaking possibilities and its most jaw-dropping horrors. Even as the White City emerged from the ashes of the Great Fire, serial killers like H.H. Holmes stalked the sparkling new boulevards and tragic accidents plagued the factories, slums and railroads that powered the churn of industrial innovation. Demons, mesmerists and birds of ill omen preyed on the unwary from the shadows. Ship captains spoke to the dead, while undertakers discovered reanimated corpses no longer requiring services. From posh mansions built on massacre grounds to the drowned quarries of a forest preserve, Ursula Bielski follows the dark undercurrents beneath the electric lights of the World's Fair."--

Deviant *Simon and Schuster*

The truth behind the twisted crimes that inspired the films *Psycho*, *The Texas Chain Saw Massacre*, and *The Silence of the Lambs*... From "America's principal chronicler of its greatest psychopathic killers" (*The Boston Book Review*) comes the definitive account of Ed Gein, a mild-mannered Wisconsin farmhand who stunned an unsuspecting nation—and redefined the meaning of the word "psycho." The year was 1957. The place was an ordinary farmhouse in America's heartland, filled with extraordinary evidence of unthinkable depravity. The man behind the massacre was a slight, unassuming Midwesterner with a strange smile—and even stranger attachment to his domineering mother. After her death and a failed attempt to dig up his mother's body from the local cemetery, Gein turned to other grave robberies and, ultimately, multiple murders. Driven to commit gruesome and bizarre acts beyond all imagining, Ed Gein remains one of the most deranged minds in the annals of American homicide. This is his story—recounted in fascinating and chilling detail by Harold Schechter, one of the most acclaimed true-crime storytellers of our time.

Unique Eats and Eateries of the Twin Cities *Reedy Press LLC*

From the moment millers such as the Pillsbury family brought grain down the Mississippi River to be made into flour, the Twin Cities of Minneapolis and St. Paul, Minnesota, have been a mecca for innovative local chefs, restaurateurs and food artisans. Today the Twin Cities boast one of the most vibrant culinary scenes in the country. *Unique Eats & Eateries of the Twin Cities* offers a tasty tour from downtown fine dining destinations to dive bars, food trucks and the beloved State Fair. Along the way food lovers will explore great neighborhoods, visit thriving avenues of ethnic eateries, sample a few of the region's quirkiest food traditions and discover its rich history, culture and personality. If you're a life-long resident or a traveler ready for your first taste of the Cities, *Unique Eats & Eateries of the Twin Cities* offers a feast for your palate, for your senses and your sense of humor.

The High House *Simon and Schuster*

Shortlisted for the 2021 Costa Novel Award In this powerful, highly anticipated novel from an award-winning author, four people attempt to make a home in the midst of environmental disaster. Perched on a sloping hill, set away from a small town by the sea, the High House has a tide pool and a mill, a vegetable garden, and, most importantly, a barn full of supplies. Caro, Pauly, Sally, and Grandy are safe, so far, from the rising water that threatens to destroy the town and that has, perhaps, already destroyed everything else. But for how long? Caro and her younger half-brother, Pauly, arrive at the High House after her father and stepmother fall victim to a faraway climate

disaster—but not before they call and urge Caro to leave London. In their new home, a converted summer house cared for by Grandy and his granddaughter, Sally, the two pairs learn to live together. Yet there are limits to their safety, limits to the supplies, limits to what Grandy—the former village caretaker, a man who knows how to do everything—can teach them as his health fails. A searing novel that takes on parenthood, sacrifice, love, and survival under the threat of extinction, *The High House* is a stunning, emotionally precise novel about what can be salvaged at the end of the world.

Spellbound by Marcel *Simon and Schuster*

In 1913 Marcel Duchamp's *Nude Descending a Staircase* exploded through the American art world. This is the story of how he followed the painting to New York two years later, enchanted the Arensberg salon, and—almost incidentally—changed art forever. In 1915, a group of French artists fled war-torn Europe for New York. In the few months between their arrival—and America's entry into the war in April 1917—they pushed back the boundaries of the possible, in both life and art. The vortex of this transformation was the apartment at 33 West 67th Street, owned by Walter and Louise Arensberg, where artists and poets met nightly to talk, eat, drink, discuss each others' work, play chess, plan balls, organise magazines and exhibitions, and fall in and out of love. At the center of all this activity stood the mysterious figure of Marcel Duchamp, always approachable, always unreadable. His exhibit of a urinal, which he called *Fountain*, briefly shocked the New York art world before falling, like its perpetrator, into obscurity. Many people (of both sexes) were in love with Duchamp. Henri-Pierre Roché and Beatrice Wood were among them; they were also, briefly, and (for her) life-changingly, in love with each other. Both kept daily diaries, which give an intimate picture of the events of those years. Or rather two pictures—for the views they offer, including of their own love affair, are stunningly divergent. *Spellbound by Marcel* follows Duchamp, Roché, and Beatrice as they traverse the twentieth century. Roché became the author of *Jules and Jim*, made into a classic film by François Truffaut. Beatrice became a celebrated ceramicist. Duchamp fell into chess-playing obscurity until, decades later, he became famous for a second time—as *Fountain* was elected the twentieth century's most influential artwork.

Bloodstains

This story set in Chicago, Philadelphia, Washington D.C., San Francisco, New York, and London in the summer of 1888 is based on the true story of and facts uncovered by the author's investigation of the life of his great-great grandfather, Herman Webster Mudgett, aka H.H. Holmes.

The Great Exhibitor *Victoria & Albert Museum*

One of the eminent figures of the Victorian era, Henry Cole (1808-1882) was a visionary whose pioneering ideas helped create the magnificent London museum that is now called the Victoria and Albert. With Prince Albert (consort of Queen Victoria), "Old King Cole" also helped to make London's Great Exhibition of 1851 a rousing triumph. Yet Cole's important contributions to cultural history have largely been forgotten. *The Great Exhibitor* is the first full-length biography of this museum pioneer who also played a pivotal role in establishing the English postal system, in expanding the railway, and in art and science education. This detailed portrait captures the personality of a man who in his own time aroused both admiration and antipathy, and restores to his proper place in history a larger-than-life Victorian phenomenon.

Operating Systems *Createspace Independent Publishing Platform*

"This book is organized around three concepts fundamental to OS construction: virtualization (of CPU and memory), concurrency (locks and condition variables), and persistence (disks, RAIDS, and file systems"--Back cover.

Depraved *Simon and Schuster*

The heinous bloodlust of Dr. H.H. Holmes is notorious -- but only Harold Schechter's *Depraved* tells the complete story of the killer whose evil acts of torture and murder flourished within miles of the Chicago World's Fair. "Destined to be a true crime classic" (*Flint Journal*, MI), this authoritative account chronicles the methods and madness of a monster who slipped easily into a bright, affluent Midwestern suburb, where no one suspected the dapper, charming Holmes -- who alternately posed as doctor, druggist, and inventor to snare his prey -- was the architect of a labyrinthine "Castle of Horrors." Holmes admitted to twenty-seven murders by the time his madhouse of trapdoors, asphyxiation devices, body chutes, and acid vats was exposed. The seminal profile of a homegrown madman in the era of Jack the Ripper, *Depraved* is also a mesmerizing tale of true detection long before the age of technological wizardry.
