Changing your mindset to being grateful is really one of the most powerful eye-openers. It may sound too simple to be that effective, but you have to practice it every day and in everything you do. If you really set your mind to be grateful, you'll stop paying attention to small annoyances and negative situations.

How to Change Your Mindset for a Happy And Successful Life
If How to Change Your Mind furthers the popular acceptance of psychedelics as much as I suspect it will, it will be by capsizing the long association, dating from Leary's time, between the drugs and young people. Pollan observes that the young have had less time to establish the cognitive patterns that psychedelics temporarily overturn.
