Early Irish Myths And Sagas

First written down in the eighth century AD, these early Irish stories depict a far older world - part myth, part legend and part history. Rich with magic and achingly beautiful, they speak of a land of heroic battles, intense love and warrior ideals, in which the otherworld is explored and men mingle freely with the gods.

The mythology of pre-Christian Ireland was preserved in oral tradition. This oral tradition is known as 'Béaloideas'. With the arrival of Christianity, the first manuscripts were written in Ireland, preserving many of these tales in medieval Irish literature. Though the Christian influence is also seen in these manuscripts, this literature represents the most extensive and best preserved of all the branches of Celtic mythology. Although many of the manuscripts have not survived and much ...
