Dark Ages America The Final

Morris Berman's Dark Ages America: The Final Phase of American Empire is a grim documentation of the events that led the US on a trajectory towards spiritual, moral, ethical, social and political decline and the economic depreciation of the American people as a whole of which, he argues, there is no return.

Morris Berman's Dark Ages America: The Final Phase of Empire probably won't make anyone's Best Books for the Beach list this summer. Let's just say it doesn't have a happy ending—or beginning or middle. What Dark Ages America does have is a heavy helping of fact

Dark Ages America: The Final Phase of Empire by Morris Berman

In Dark Ages America, the pundit Morris Berman argues that the nation has entered a dangerous phase in its historical development from which there is no return. As the corporate-consumerist juggernaut that now defines the nation rolls on, the very factors that once propelled America to greatness—extreme individualism, territorial and economic expansion, and the pursuit of material wealth—are, paradoxically, the nails in our collective coffin.

Dark Ages America (January 1, 2007 edition) | Open Library

Reviewed in the United States on December 23, 2014. Verified Purchase. "Dark Ages America: The Final Phase of Empire," by Morris Berman, paints a somber picture of the contemporary United States. In a 330-page analysis that I found hard to put down, the author first describes the symptoms of decadence so apparent in the United States today and then devotes four chapters to an outline of American foreign policy from McKinley to Bush II.
